

Onteora Athletic Transportation Form (AWAY COMPETITIONS)

Parental Permission for the 2020-2021 Athletic Season

- Please complete and return the Waiver and Release Form below at least 48 hours prior to the contest to the Director of Athletics, Kimberly Pilla at kpilla@onteora.k12.ny.us
- An approval email will be sent to you and the coach at least 24 hours before the contest.

By choosing to provide your own transportation by driving your child, or having your child driven by a designated adult, you must meet the bus at the Onteora campus prior to departure to ensure your child has the mandated pre-trip screening performed. Once the pre-trip screening has been performed, you may either follow the bus to the games, or meet the bus at the host school as your child will need a post screening completed as well in order to compete. Parents and student-athletes may not exit their cars until the Onteora bus is present in the parking lot of the host school. Please have your child meet their team at the bus. Please note: if your child does not receive a pre-trip screening at Onteora prior to departure and a post-trip screening at the host school, they will not be able to play in the game or match. Under any circumstances, students **may not** drive themselves or other students to away games.

If you provide your own transportation for your child to the game, you must provide transportation back from the game, absent an emergency situation.
