ARTICLE I

Recognition

Resolved that the Onteora Board of Education has recognized the Onteora Teachers Association for the purposes of collective negotiations as the exclusive bargaining agent for all regular teaching personnel including school psychologists, school social workers, occupational and physical therapists and nurses, excluding school administrators, the Superintendent of Schools, Assistant Superintendents, Principals, and Assistant Principals. Regular teachers shall be defined as all teaching personnel except per diem substitutes.

ARTICLE II

Negotiations Procedures

This Agreement will be automatically renewed on an annual basis after the expiration date hereof, unless either party to this Agreement notifies the other in writing of its intention to modify or amend such Agreement no later than February 1 prior to the expiration date or annual renewal date thereafter. Any and all such amendments or modifications by either party must be presented in writing to the other party at a meeting to be held before April 1. Negotiations will begin promptly thereafter.

Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party and each party may select its representative from within or outside the District. The parties mutually pledge that their representative will be clothed with all necessary power to make proposals, consider proposals and reach compromises in the course of negotiations.

The District shall make available, upon reasonable request of the Association, non-confidential or publicly available information pertinent to the negotiation or administration of this Agreement. The Association shall reimburse the District the costs of expenses incurred. The Association shall share with the District information it may access through New York State United Teachers that is relevant to negotiations.

ARTICLE III

Grievance Procedure

- A. A grievance shall mean a complaint by an employee in the bargaining unit that:
 - 1. There has been a misapplication, misinterpretation, or a violation of this Agreement.

2. There has been a violation, misapplication or misinterpretation of, or inequitable treatment under established past practice, policy or rules and regulations of the Board of Education affecting the terms and conditions of employment of members of the bargaining unit.

As used in this article, the term employee shall mean:

- (a) An individual employee, or
- (b) A group of employees, or
- (c) The Association.

B. Steps

- Step 1: The employee shall discuss the matter with the employee's principal. The employee may be represented by a representative of the Association. The principal shall give the employee a written answer within four (4) school days. A copy of the answer shall be given to the Association.
- Step 2: If the grievance is not resolved at Step 1, the employee, through the employee's Association representative, may, within five (5) school days submit the grievance, in writing, to the Superintendent or his/her designee. The Superintendent or his/her designee shall set up a conference to be held within ten (10) school days of the submission of the grievance. The employee and/or the employee's representative shall be present at the conference to meet with the Superintendent or his/her designee to discuss the grievance in an attempt to resolve it. The Superintendent or his/her designee shall furnish the employee and the Association with a decision, in writing, within ten (10) school days of the conference.
- Step 3: In the event that the preceding steps have failed to resolve the dispute, the Association may submit the grievance to arbitration by filing with the Superintendent or his/her designee a written notice of intent to arbitrate at any time within ten (10) school days from the time a decision is rendered at the Superintendent's level at Step 2 above, or failing a written response from the Superintendent or his/her designee, within ten (10) school days from the time the decision was due. Both the Board of Education and the Association shall have the right to request a hearing of the grievance prior to arbitration. Request for such hearings shall be made in writing within five (5) school days after the intent to arbitrate is filed. Such hearing shall be held with the Board of Education or subcommittee thereof in executive session within fifteen (15) school days from the date of the request for Board Hearing. The Board shall reserve the right to waive such hearing. In the event the Board exercises its

right to waive such hearing, the Association shall have the right to proceed immediately to arbitration as provided for in Step 4 below. In the event that no such request is made, the grievance will proceed immediately to arbitration as provided in Step 4 below. Should a Board level hearing be elected, the Board of Education shall render its decision within five (5) school days of the hearing.

Step 4: The parties shall select from the following panel of five (5) arbitrators: Howard C. Edelman, Martin Scheinman, Susan T. MacKenzie, Thomas N. Rinaldo, and Jay M. Siegel. Arbitrators shall serve in rotation. In the event that none of the aforementioned arbitrators are available in a timely fashion or decline to hear a dispute, the parties shall have five (5) days within which to agree upon an alternate arbitrator from the American Arbitration Association. In either case, the Voluntary Labor Arbitration Rules of the American Arbitration Association shall be used.

C. Time Limits

1. A grievance shall be submitted at the first applicable step of the grievance procedure as outlined herein within thirty (30) school days of the date upon which the aggrieved party is aware of the alleged grievance or shall be deemed to be waived, null and void, and shall not be further processed.
2. Since it is important to good relationships that the grievance be processed as rapidly as possible, the number of days at each stage should be considered a maximum and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.
3. Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party and to the Association within the specified time limits shall permit the lodging of an appeal at the next stage of the procedure within the time allotted, communicated by the final day.
4. In the event a grievance is filed at such time that it cannot be processed through all stages in this grievance procedure by the end of the school year, the time limits set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable.

D. Basic Principles

1. If, in the judgment of the Association, a grievance affects any group within the professional staff, the Association may submit such grievance in writing to the Superintendent of Schools or his/her designee directly, and process

such grievance through levels two, three, and four of the grievance procedure.

2. Forms for filing grievances, serving notice, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared by the Superintendent or his/her designee and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
3. The District and the Association agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning the alleged grievance.
4. No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the District or any member of the administration against the aggrieved party, any party of interest, any representative, any member of the grievance committee or any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.
5. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participant.

E. General-Arbitration

1. The arbitration hearing shall be held in the District Offices in the Onteora Central School District. The arbitrator shall hear and decide the case or cases that are brought to arbitration.
2. The arbitrator shall have the power to make awards, or to fix back pay and other compensations. The decision and award of the arbitrator shall be final and binding.
3. All fees and expenses of the American Arbitration Association and the arbitrator shall be shared equally by the District and the Association.

ARTICLE IV

Teacher Hours and Teacher Load

A. Workday

The teaching day shall in no instance exceed seven (7) consecutive hours, such seven-hour period to include at least thirty (30) minutes of duty-free lunch.

The District level SDM as established by CR 100.11 may recommend the length of class periods, etc., as necessary, to enhance educational opportunity.

B. Work Year

1. The teacher work year shall be 182 days which shall include both student attendance and staff development days. Effective with the 2022-2023 school year, the teacher work year shall be 183 days which shall include both student attendance and staff development days. In any year in which Labor Day falls on the 4th, 5th, 6th or 7th of September, the District may open after September 1st, provided that the school year ends as of the last Regents Day (inclusive of rating day). New teachers may have one (1) additional day prior to Labor Day. Elementary teachers shall be granted two (2) half days at the end of the year, provided that one-half day is the last day of school. The other half-day may be scheduled to meet District needs. Under no circumstances will half-days be scheduled in any week that would result in non-conformance with the Commissioner's regulations dealing with number of hours of instruction or in such a way that would result in a loss of state aid.
2. Any day or portion thereof that a teacher is required to report for work will be considered a full day.
3. Unused snow days will be returned to teachers; one day of which will be reserved to be added to the Memorial Day vacation. The remainder will be scheduled at the District's discretion.

C. Preparation Periods

1. Elementary classroom and special teachers will have six (6) 30 minute planning periods per week to be free from assigned duties. Every reasonable effort will be made by the District to schedule these periods without interruption. In lieu of duties normally assigned during school lunch and recess periods, teachers may be assigned a professional period to be used on the same basis as secondary teachers.
2. Each secondary teacher shall maintain an eight period day consisting of five (5) teaching periods, one duty assignment, one preparation period and one professional period free from assigned duties, exclusive of lunchtime.

A professional period may be used for attendance at CSE meetings, professional staff meetings, parental conferences and to provide

assistance to students identified as having failed or who are in danger of failing if those students or a teacher requests the assistance, provided it is within the teacher's tenure or certification area. This clause is not intended to create a sixth teaching assignment.

Professional periods will be posted by teachers in their classroom(s) for student/parental utilization. Teachers shall be required by no later than the first school week to notify the high school and middle school principals of their specific location during their professional period. Teachers are required to be in that location during posted office hours. Should a teacher decide to be in a different location on a given day, he or she is required to notify the high school or middle school principal in advance and post the change on the office door.

Teachers recognize that they have a professional responsibility to assist students, upon student's request, during one preparation period per week.

3. Nurses shall have two (2) fifteen (15) minute blocks of time free from assigned work or duties.
4. Every effort shall be made to obtain substitutes for all teacher absences.
5. Except in the case of emergency, or by mutual consent of the parties, teachers may be required to attend CSE meetings during preparation periods.

Teachers may be required to attend CSE meetings during a preparation period up to a maximum of six (6) periods per year.

6. In the event that a teacher misses his/her preparation period and is required to instruct a class, he/she shall be paid \$35 per period, and the District will not be required to make up the missed preparation period. Prior to mandating a class coverage, the District shall solicit volunteers from within the tenure area. In the event that there are no volunteers from within the tenure area, the District shall solicit volunteers from certified teachers within the building. If there are no volunteers, then the District shall have the discretion to assign the coverage. Coverage shall be assigned in reverse seniority order (in the tenure area, if administratively feasible), and a teacher shall not be assigned to cover more than one period per day.

D. Workload

1. To provide for maximum effectiveness in the classroom, secondary teachers should be limited to three (3) subject preparations and five (5) teaching periods each day where administratively feasible. Secondary teachers who prefer to teach additional classes in lieu of above may volunteer to do so.
2. There will be no change in current elementary preparation time scheduling language and the District will endeavor to maintain preparation time schedules for as long as those schedules are feasible, within District discretionary limits on budget.
3. Non-administrator CSE chairs will be assigned no less than three student contact periods per day. CSE chairs, other than administrators, shall chair meetings of the CSE. Non administrator CSE chairs will not supervise teachers or act on behalf of or represent administrators. They will not create and/or implement directives or memos on behalf of supervisors or administrators to members of the bargaining unit. Pupils assigned to chairs shall be balanced within reason and based on the individual need of students and scheduling availability with due consideration to balancing students to the extent feasible.
4. Teachers may be required to attend CSE meetings during teaching periods. Elementary and secondary teachers may be assigned to CSE meetings during a professional period.

E. Calendar

The Ontario Teachers Association shall be granted the right to advise the Superintendent or his/her designee on its views on the calendar. Such advice shall be forwarded to the Superintendent or his/her designee no later than April 30, and in any event, the decision of the Board with regard to the construction of the calendar shall be final.

F. The District and the Association agree, that the contract language regarding secondary school teachers' assignments remains, irrespective of any prior agreements with regard to maximum student contact minutes.

Specifically:

- ...provisions of Article IV, Section A
- ...provisions of Article IV, Section C, paragraph (2)
- ...provisions of Article IV, Section D

Given this time schedule framework, all other time within the school day may be assigned for supervisory duties.

ARTICLE V

Additional Professional Duties

The teachers, the administration, and the Board of Education all recognize that teachers assume certain additional professional responsibilities which involve time spent outside the normal day. Such things as extra help sessions and special projects for interested students are left to the discretion of the individual teacher who may arrive earlier and remain later than the normal school day. In addition to these responsibilities voluntarily assumed by the teachers, there have been various other duties assigned to all teachers. Such duties have traditionally included professional meetings, Parents' Night, attendance at athletic events in order to supervise students and other functions which require a return to school at some time after the end of the normal school day.

The teachers, the administration, and the Board of Education agree to the following guidelines for such activities:

1. Meetings held prior to or immediately after the normal school day shall be limited to six (6) meetings per month of no more than three-quarters of an hour in length, except that if an unforeseen problem of special significance arises, there may be an additional period of one-half hour available to the principal. Except for emergency meetings, a written agenda will be provided to each teacher at least one day in advance of faculty meetings. The administration will determine whether the content and number of those meetings are necessary. Meetings will be consolidated where possible to achieve the best use of faculty time.
2. All parent conferences will be scheduled at times mutually convenient to the parent and the teacher.
3. Two (2) parent/teacher conferences will be held in the evening. The day following the evening parent/teacher conference will be a Superintendent's Conference Day which will begin no earlier than 10:00 a.m. and end by 3:00 p.m.
4. Duties involving a return to school after the normal day has ended or a day when school is not in session will be limited in the following manner:
 - (a) Attendance at all other evening meetings with the public is voluntary. No record will be made of teacher attendance or nonattendance at such functions.

- (b) Teachers may be required to attend two Parents' Nights and individual teachers may be additionally required to participate in the planning and presentation of one other school sponsored evening program.
 - (c) Teachers will not be required to drive pupils to activities which take place away from the school building.
 - (d) In order to guard against overburdening any individual teacher, the Board, Administration and Association agree to the scheduling of reasonable extra-curricular supervisory assignments with these guidelines:
 - No teacher should be required to supervise children from schools other than the one to which they are regularly assigned.
 - No teacher will be assigned more than one student home supervision assignment during the school year. No teacher shall be assigned more than one away assignment. (See Article XXII for amounts paid.)
5. Newly hired professional staff will be required to participate in a maximum of five (5) core area teaching courses. These core area teaching courses may be a part of the respective teacher's course of study progressing to his/her master's degree for permanent certification.
6. A sixth teaching assignment may only be assigned to a certified high school teacher when any of the following conditions exist:
- Part-time vacancies within a department, for which no certified candidate can be found following reasonable District efforts to do so.
 - Emergency situations, such as a long-term illness for which no appropriate substitute can be found.
 - Emergency situations, such as the unavailability of substitutes, leaving students without appropriate instruction in the content area.
 - Significant increase or decrease in the number of students in core academic courses and special education areas.

- For the purposes of economy, where the effect does not involve the reduction in the staffing of probationary and tenured teachers.

The following constraints will define the assigning of a teacher to a sixth period:

- a) No teacher will teach any class outside of his/her teaching area.
- b) Probationary teachers will not be assigned a sixth assignment. In departments without tenured teachers, a probationary teacher may be assigned a sixth assignment upon mutual agreement of the parties. The Association will not unreasonably withhold approval for such assignment.
- c) The assignment of a sixth (6th) instructional period shall be rotated within the affected departments by inverse order of seniority. However, volunteers will be selected based upon seniority. No teacher may be assigned two (2) consecutive sixth (6th) assignments.
- d) Two consecutive classes of science laboratory instruction shall be considered a single period of classroom instruction. Any split laboratory classes, e.g. not back-to-back, shall each be considered a single period of classroom instruction.
- e) The District shall have the right to solicit an unlimited number of volunteers to teach a sixth (6th) period.
- f) Teachers in (c) shall be compensated at the rate of \$8,114 per period. Effective July 1, 2021, this amount shall be \$8,318. This amount will be prorated if the course starts later in the school year.
- g) The maximum student load for a teacher assigned or volunteering for a sixth assignment in English, Math, Science, Social Studies, Foreign Language and Special Education will be no more than twenty-five students in that class. If any emergency condition arises, the twenty-five students per class load may be exceeded. Teachers having a class load beyond twenty-five students will receive additional compensation on a per-student, pro-rata basis commencing after October 15 each year.

- h) No more than six (6) teachers or two (2) per department as referenced in (g) above may be assigned a sixth period of teaching, as long as it does not affect the number of FTE's in the department.
- i) As a result of implementation of this clause, no full-time unit member will be exceeded.
- j) Unit members who have a reduced teaching assignment due to contractual obligations (i.e. Association President, Cabinet Position, Coordinator, etc.) will not be assigned and/or volunteer and will not be entitled to additional compensation for an additional teaching assignment.
- k) Music teachers will have a maximum of five (5) instructional periods per day. If a music teacher has a sixth instructional period for the purpose of conducting lessons, such assignment will be at the teacher's option, but such teacher will not be entitled to the stipend set forth in (f). If the teacher has only five (5) instructional periods, he/she will be assigned a supervisory duty.
- l) If a teacher assumes or is assigned such sixth instructional period, there will be no scheduled assignments of any and all supervisory duties.

ARTICLE VI

Assignments and Transfers

A. Assignments

1. Every reasonable effort will be made to notify teachers in writing of their schedules for the coming school year by June 30 so that adequate preparation can be made, including the schools to which they will be assigned, the grade and/or subjects they will teach, and special classes they will have.
2. Every reasonable effort will be made to assure that pupils are taught by teachers working within their area of competence. Teachers will be assigned only to those areas within the scope of their teaching certification or their major or minor fields.
3. Elementary teachers shall be excused from cafeteria duty except where the District has made every effort to obtain qualified employees to assume the duty and such effort has failed. Where

qualified aides/teaching assistants can't be obtained, the duty shall be assumed by the teaching staff on a rotating basis. Teachers relieved of such duty shall not be given an alternate assignment. In addition, where aides/teaching assistants are obtained, teachers shall be assigned to assist should a genuine need arise. Teacher presence is always essential to maintain reasonable order with students outside the classroom. Such assignment shall be on a rotational basis.

4. Physical education staff assigned to the secondary school will have a maximum of six (6) student contact periods per day. Secondary physical education staff assigned six (6) teaching periods per day will not be assigned any duties. There will be no reduction in the total District physical education staff from the level of full-time equivalents currently in effect, except for the purpose of District-wide reorganization. When a physical education teacher terminates his/her employment with the District, that position may then be excessed.

B. Transfers or Reassignments

In the event of transfer or reassignment, length of service with the District shall be given consideration.

1. Voluntary Transfers

- (a) Building principals shall assign all newly elected personnel to their specific positions which, except for regular substitutes, shall be within the type of service for which the teacher has been elected by the Board of Education.
- (b) The Superintendent of Schools or his/her designee shall post in all school buildings a list of the known vacancies as they occur.
- (c) Teachers who desire a change in grade and/or subject assignment or desire to transfer to another building shall file a written statement of such desire and the reasons therefore with their building principal or Superintendent of Schools or his/her designee no later than May 1st or within the time limits set forth on the notice of vacancy pursuant to Article VI, Section A herein. No transfer need be made until September of any school year. Such statement shall include the grade and/or subject to which the teachers desire to be transferred, in order of preference. The Superintendent or a

designee shall inform those teachers of the reasons for denial of such requests.

2. Involuntary Transfers

- (a) Except for the purpose of District-wide reorganization, one (1) teacher per building to a maximum of four (4) teachers per year may be involuntarily transferred once during their career in the District.
- (b) Involuntary transfers shall be made after the District has asked for volunteers and has failed to obtain acceptable volunteers. If no acceptable volunteer is found for transfer, teachers may be involuntarily transferred. Involuntary transfers will be made for coverage of additional sections, educational purposes, retirements, resignations, paid and unpaid leaves of absences and vacancies. If the teacher objects to an involuntary transfer, then any such dispute will be resolved by a committee of three (3) teachers and three (3) administrators taken from buildings other than the building in which the transfer is initiated. Any dispute with regard to involuntary transfer will be resolved by the Board of Education, whose decision shall be final.
- (c) When an involuntary transfer is to be made, every reasonable effort will be made to notify the teacher involved with at least thirty (30) calendar days' notice. If the transfer is made effective in September, every reasonable effort will be made to notify the teacher involved by the end of the current school year.
- (d) Involuntary transfers shall not be used to impose disciplinary measures.
- (e) The voluntary and involuntary transfer clause criteria shall be deemed procedural only.

3. Abolition of Positions

- (a) If there is to be a reduction in the number of staff positions:
 - (1) The District shall make every effort to meet such reduction by attrition.
 - (2) If an employee is excessed, this shall be done only as of the end of the school year.

- (3) Any employee to be excessed as a result of the abolition of a position covered by this Agreement shall be given notice in writing not less than forty-five (45) days prior to the time the employee's employment with the District is to terminate. If such notice is not provided, the employee shall be paid a full forty-five (45) days pay at the rate of 1/180th of their annual salary for each of the forty-five (45) days.
- (4) Prior to adopting any resolution to terminate the employment of any employee pursuant to this provision, the District shall give the Association notice in writing that such a resolution will be voted upon by the Board and afford the Association an opportunity to present its views with respect to such proposed termination in advance of the time such is to be voted upon.
- (5) The District shall continue to pay such excessed employee's health insurance premiums for a period of three months from the date the employee's employment terminates, or, until the employee shall accept other employment, whichever is sooner.
- (6) The District shall furnish any excessed employee with information it may have regarding openings for employees in other districts.
- (7) Excessed personnel shall have the first right to any substitute positions at the regular substitute rate.

ARTICLE VII

Vacancies

A. Notice of and Application for Vacancies

1. All vacancies and newly created positions shall be posted in all District schools on all faculty bulletin boards within one week after they occur and in no event less than one week before applications are due. Posting shall include vacancies for current and following school years. Said notice shall clearly set forth a description of and qualifications for the position including the duties and salary.

2. In the event vacancies or positions occur during summer vacations, the notice thereof shall be posted in the administrative offices of the Ontario Central School District and a notice thereof shall be sent to the Association and to each teacher previously registering with the District. A stamped, self-addressed envelope shall be supplied to the District for each position.
3. Teachers who desire to apply for any such vacancy shall submit their application in writing to the Superintendent or his/her designee within the time limit specified.

B. Qualification for Assignment

1. All appointments and assignments to any and all vacancies and openings shall be based on qualifications and experience where due regard shall be given to seniority.
2. Each applicant who is not selected shall have an oral explanation and upon request a written explanation as to why the applicant did not receive the appointment to such vacancy.

C. Preferred Eligibility List Substitutes

Teachers on the preferred eligibility list who have not been otherwise recalled for employment will be given preference in the calling of per diem and regular substitute teachers.

ARTICLE VIII

Conferences and Travel Allowance

- A. Attendance at and participation in conferences, workshops, conventions, and similar meetings are a vital part of the professional person's development and progress in the field. All professional personnel should be encouraged to attend such gatherings. However, requests for attendance must be filed with the building principal one month in advance, when possible.
- B. The District shall bear the cost of travel to and from such meetings in a matter approved in advance by the Board of Education as follows:
 1. Use of school vehicles.
 2. Use of such mass travel as may be considered most appropriate.

3. Use of private vehicles may be allowed for conferences on consent of the Superintendent or his/her designee with mileage amount payment as approved by the Board of Education. The mileage reimbursement amount shall not be less than 21 cents per mile or Board rate, whichever is higher.

4. The District shall pay all reasonable and necessary costs of rooms. If the cost of a hotel room is not approved in advance the total per diem rate will not exceed the schedule below:

Single Accommodation	\$74
Double Accommodation	\$66

5. The per diem meal rate shall not exceed \$51 per day, except when attending a conference in New York City, in which case the per diem meal rate shall not exceed \$61 per day, inclusive of tip.

C. To obtain reimbursement, participants shall procure the proper receipts and payment proofs to comply with the New York State Department of Audit and Control directives. Reimbursements for expenses shall be made upon presentation of such proofs of payment.

ARTICLE IX

Professional Facilities

A. Each school will continue to have the following facilities:

1. Space in each elementary classroom for the classroom teacher to store instructional materials and supplies. Space in each building will be provided for special teachers to store instructional materials and supplies when not available in the classroom. At the secondary level, space in each building will be provided where each teacher may store instructional materials and supplies.
2. A teacher work area containing adequate equipment and supplies to aid in the preparation of instructional materials.
3. An appropriate furnished room apart from the students will be reserved for the use of school staff. A dining area apart from the students will be reserved for the use of the school staff.

4. A serviceable desk and chair for the teacher in each classroom. Where two teachers share a classroom, provisions should be made for a desk or work area outside the classroom.
 5. Bulletin board space in each faculty room for the use of the Association.
- B. It shall be the objective of the Onteora School District to improve the professional library. The procedures to develop a unified professional library in the school District will continue.
- C. It is a goal of the Onteora School District to provide each school with the following:
1. Adequate and appropriate teaching stations for specialized instruction.
 2. A private room for effective teaching of remedial reading and remedial speech.

ARTICLE X

Short Term Leaves of Absence

A. Sick Leave

1. Each professional staff member shall be granted sixteen (16) days per year for sick leave for personal illness and/or family illness in the immediate family. For the purposes of sick leave, immediate family shall be defined consistent with the Family and Medical Leave Act ("FMLA"). Teachers will not have to fill out any forms for family illness use. When teachers call the substitute service to indicate that they are going to be absent pursuant to the "sick leave" provision, they shall state whether such absence is for personal illness or family illness. Each year, the sixteen (16) sick leave days will be credited to each returning professional staff member. Any unused sick days will be accumulated. A unit member may use their accumulated sick leave for personal illness. A unit member may only use their accumulated sick leave for family illness up to the maximum number of days approved for FMLA leave. There will be no limitation on the number of accumulated sick days. Medical check-ups or annual physical examinations are not considered as "sick leave." Upon request, the District will provide a statement of the number of sick leave days credited to such teacher and the same shall be furnished orally or in writing at the teacher's election. A

unit member who is absent from work for ten (10) or more consecutive work days shall be required to submit medical documentation substantiating the absence and certifying that the unit member is fit to return to duty.

2. Each teacher may be allowed to contribute up to two days from their accumulated sick leave to the Bank. Only contributing teachers may be members of the Bank. The Bank shall be for use in case of catastrophic illness after accumulated sick leave has been exhausted. There shall be an automatic renewal at such time when the Bank is exhausted and use by an individual is limited to sixty days per year. A. Evaluation

The purpose of evaluation is the improvement of instruction and assessment of teaching performance. Appendices A and B represents the jointly agreed to Annual Professional Performance Review and Teacher Improvement Plan, respectively.

1. All monitoring or observation of the work performance of a teacher will be conducted openly.
2. Four observations shall be completed annually for probationary teachers. All such observations shall be conducted by certified administrative personnel. In the event that a teacher's performance is deemed satisfactory, the above observations may be waived. Before probationary teachers are recommended for release, the District shall observe them a minimum of four (4) times in the school year of discharge. The first observation is to be conducted prior to December 1st, with a reasonable time between formal observations. Once a year, a teacher shall have the option to require that one observation be rescheduled to another date.
3. Non-tenured teachers may, if they choose to, also participate in Peer Coaching or Self-directed Learning in addition to the classroom observations.
4. Tenured teachers may request, under normal circumstances, one of the following methods of evaluation:
 - a. Regular classroom observation
 - b. Peer Coaching
 - c. Self-directed Learning

Teachers who choose a classroom observation may be observed once each year. Teachers who choose Peer Coaching or Self-directed Learning are to submit their request to the building principal for approval according to the existing schedule. If approval is not granted the teacher will participate in a regular classroom observation.

Tenured teachers may, under usual circumstances, be evaluated once per year. The District shall make every reasonable effort to observe teachers at normal yearly times. The District may elect to waive an observation if the principal considers the teacher's performance to be satisfactory. An observation may be rescheduled a maximum of once per year.

5. Teachers will be given a personal copy of any evaluation report within ten (10) school days of an "observation," and will be required to sign the office copy to indicate that it has been received. Such signature merely signifies that they have examined the materials and shall not be deemed to be an admission to, or to signify agreement by the teacher for any matter therein.
6. Not more than ten (10) school days after the receipt of the report, there shall be a conference between the observer and the teacher. Such conference may be waived by mutual agreement if the Administration involved deems the performance of the evaluated teacher to be satisfactory or above.
7. If the performance of a teacher is less than satisfactory, the teacher must be so advised. The supervisor or evaluator shall have the responsibility to make recommendations in writing to the teacher to improve the teacher's performance. Such recommendation shall be part of the written evaluation which is placed in the teacher's personnel file. These recommendations shall be used as a basis for future observations and evaluations.

B. Discharge and Discipline

1. Tenured teachers shall be entitled to binding arbitration if they are discharged or disciplined. Probationary teachers denied tenure shall be entitled only to procedural review of District compliance with the terms of the Agreement.
2. The Superintendent shall advise a teacher of whether or not the teacher is to be recommended to tenure by March 15, or sixty (60) working days if the tenure day is other than September 1. Once a teacher has been notified by the Superintendent, they shall not be discharged except for just cause.
3. In the event that a non-tenured teacher is released from the services of the District for performance inadequacies, the teacher shall be entitled to an interview with the Board of Education prior to the release, if the teacher so wishes.

Teachers shall have the right, upon request to review the contents of their files excluding confidential references pertaining to hiring or promotion. Teachers shall be entitled to have a personally selected representative accompany them during such interview.
3. No material except confidential references pertaining to promotion shall be filed unless the teacher has had notification and an opportunity to examine the material. Teachers shall be given an opportunity to affix their signature on the actual copy to be kept with the understanding that such signature merely signifies that they examined the materials. Such signature does not necessarily indicate agreement with its content. The teacher shall have the right to reply in writing to any material placed in the personnel file. The reply shall be attached to the material and filed in the official District personnel file. While the failure to reply shall not be construed as a waiver of a defense in any case, teachers shall ordinarily be expected to reply in ten (10) days of the placement of any unusual material in a file.
4. Upon receipt of a written request, the teacher will be furnished a reproduction of any material at their expense, excluding confidential references pertaining to hiring or promotion.

ONTEORA ANNUAL PROFESSIONAL PERFORMANCE REVIEW (PLAN)

A. The Ontario APPR was developed by a committee of teachers, pupil personnel professionals, and administrators in 1991 and has been included in the Ontario Teachers Association contract starting in 1993.

B. Evaluation of teacher personnel

The purpose of evaluation is the improvement of instruction and assessment of teaching performance.

1. All monitoring or observation of the work performance of a teacher will be conducted openly.
2. Four observations shall be completed annually for probationary teachers. Certified administrative personnel shall conduct all such observations. In the event that a teacher's performance is deemed satisfactory, the above observation may be waived. Before probationary teachers are recommended for release, the District shall observe them a minimum of four (4) times in the school year of discharge. The first observation is to be conducted prior to December 1st, with a reasonable time between formal observations. Once a year, a teacher shall have the option to require that one observation be rescheduled to another date. Attachment 1 is the classroom *rubric* to be used.
3. Non-tenured teachers may, if they choose to, also participate in Peer coaching or Self-directed learning in addition to the classroom observation. Attachment 2 is for Peer Coaching and Attachment 3 is for Self-Directed Development.
4. Tenured teachers may request, under normal circumstances, one of the following methods of evaluation:
 - a. Regular classroom observation
 - b. Peer coaching
 - c. Self-directed learning (*study groups – attachment B, action research plans – attachment A, National Teacher Certification, etc.*)

Teachers who choose a classroom observation may be observed once each year. Teachers who choose Peer coaching or self-directed learning are to submit their request to the building principal for approval according to the existing schedule. If approval is not granted, the teacher will participate in a regular classroom observation. *Approval of this request assumes the accomplishment of the nine (9) criteria from the observation form.*

Tenured teachers may, under usual circumstances, be evaluated once per year. The District shall make every reasonable effort to observe teachers at normal yearly times. The district may elect to

waive an observation if the principal considers the teacher's performance to be satisfactory. An observation may be rescheduled a maximum of once per year.

5. Teachers will be given a personal copy of any evaluation report within *ten (10)* school days of an "observation", and will be required to sign the office copy to indicate that it has been received. Such signature merely signifies that they have examined the materials and shall not be deemed to be an admission to, or to signify agreement by the teacher for any matter therein.
 6. Not more than *ten (10)* school days after the receipt of the report, there shall be a conference between the observer and the teacher. Such conference may be waived by mutual Agreement if the Administration involved deems the performance of the evaluated teacher to be satisfactory or above.
 7. ***If a teacher has not accomplished or is not progressing toward attainment of a goal as described in the Observation form of the APPR, an improvement plan will be devised by the teacher and the administrator. Dates for a review of the plan will be established. The administrator will complete a formal evaluation of the completion of the plan, and this will be placed in the teacher's file. This work will be the basis for future observations and evaluations.***
- C. The teacher evaluation on the District Classroom Evaluation form is to be based on specific decisions/activities that promote learning. These decisions/activities may include, but are not limited to such things as:
1. ***Content Knowledge***
 2. ***Preparation***
 3. ***Instructional Delivery***
 4. ***Classroom Management***
 5. ***Knowledge of Student Development***
 6. ***Application of Assessments***
 7. ***Collaboration Skills***
 8. ***Reflective Responsive Practice***
 9. ***Technology***
- D. ***Summative Evaluation: All professional staff will receive a summative evaluation, completed by the end of the year. The summative report will take one of the following forms: an observation evaluation (and follow-up improvement plan and evaluation, if necessary), an evaluation of the self-directed development plan, an evaluation of the peer-coaching plan.***
- E. Training in Performance Evaluation: Administrators at Onteora Central Schools who are responsible for conducting performance evaluations shall receive training in good practice on a yearly basis through Administrative Council Meetings and by participating in

training in this discipline that is offered by Ulster BOCES Principals' Center.

Administrative Council training to include, but not limited to:

- On-going collegial dialogue about the use of the observation instruments.
- Discussion of teachers in need of intense supervision will assist administrators in developing the skills for identifying the behaviors that are not conducive to the teaching/learning process. Likewise, these reflective conversations will enable administrators to develop a repertoire of strategies that can be used to correct these behaviors.
- Share resources from all sources (i.e. Education Research Service, ASCD) on current research on supervisory practice as it relates to strategies and techniques that improve teaching.
- Peer review of the process of writing effective observations.

Principals' Center Workshops on:

- Facilitating reflective practice and effective conferencing techniques.
 - The use of a rubric to assess performance with interrater reliability.
 - The use and analysis of individual student/classroom data.
 - Effective teaching practices.
- F. The superintendent or his designee will review all observations and summative evaluations. In the event of an unsatisfactory performance, the superintendent or his designee will work closely with the Principal to insure the process is followed.
- G. The Plan will be in the district office and available for review no later than September 10th of each year. All changes or modifications to the Plan will be developed using the guidelines in A. above.

PEER COACHING

Definition –

Peer coaching is a process whereby a small group of educators works together toward the goal of instructional improvement by visiting each others' classes and discussing what they have seen.

Eligibility –

Educators who wish to refine and develop their teaching strategies are eligible for this option. Teams should consist of two or three educators, one of whom must be tenured. There are no subject area or grade level restrictions in the composition of teams. Building principals and directors will determine final eligibility.

Procedures –

1. Teachers who are interested in peer coaching are to notify their building principal by October 1 that they would like to pursue this option, to allow time for an orientation meeting on peer coaching before October 15. An optional in-service course will also be provided if the number of participants warrants it.
2. Teachers who decide to work together as a peer coaching team will meet with their building principal/director before November 1 to submit and discuss their team plan. The plan should include at least two cycles. Each cycle will consist of a pre-visit discussion, the visit itself, and a post-visit discussion for each participant.
3. Approval or disapproval of the plan is to be given by the building principal/director by November 15, as indicated on the attached form.
4. The first observation cycle will be completed by February 1, and the second by May 15.
5. The results of the peer coaching effort will be provided to the principal/director in a conference with the teachers involved by June 1. The final *administrative evaluation* will be provided to the teachers by June 15.

SELF-DIRECTED DEVELOPMENT

Definition –

Self-directed development is a process in which a tenured teacher develops and carries out a plan for professional growth over the course of a school year, with the approval and supervision of his or her building principal/director. Plans may be highly individualized and may reflect personal objectives, but each plan will have the same general goal: to enhance the teacher's classroom performance. *Examples: action research plan, study groups, etc.*

Eligibility –

Tenured teachers are eligible for this option. Final eligibility is to be determined by the building principal/director.

Procedures –

1. A teacher who wishes to participate in self-directed development will present a summary of his/her plan to the building principal/director before October 1.
2. Once the teacher is given preliminary approval, a conference will be held with the building principal/director before October 15.
3. During this conference the "Self-Directed Development Plan" is to be completed; final approval or disapproval of the plan is to be completed by the building principal/director by November 1.
4. At least one conference regarding progress on the plan is to be held before December 15, with a second by March 1.
5. The results of the self-directed development effort will be provided to the principal/director in a conference with the teacher involved and the building principal/director by June 1. The final *administrative evaluation* will be provided to the teacher by June 15.

Attachment A

Action Research Plan

"Action Research" is a process of improving student performance based on the formal identification of a question/problem. It will include the gathering of data/information to generate possible solutions. This model is especially useful to support a new program or instructional strategy and can be undertaken individually or in groups. The group will be expected to share information with colleagues from the learning experience.

Attachment B

Study Group Learning

"Study Group Learning" is a model of learning for study groups that identifies a goal, problem or issue. This model is an effective means of improving student achievement through such activities as the development and/or revision of curriculum, the design of assessment or programs, involvement in school improvement planning, and/or identification of strategies to implement "best practice" instruction. The individual will be expected to share information with colleagues from the learning experience.

MEMORANDUM OF AGREEMENT ("hereinafter "MOA")

THIS AGREEMENT is entered into as of the 10th day of June, 2003, by and between Oteora Central School District ("Employer") and the Oteora Teachers Association (the Association") does hereby amend the terms of the existing collective bargaining agreement ("CBA") that governs the employment relationship between Employer and the Association, as follows:

Effective June 10, 2003, the Employer and Association agree to the following:

MANDATORY CLAUSES

1. No Cash Option No employee may receive cash in lieu of or as an alternative to any of the Employer's Non-elective Contribution(s) described herein.
2. Contribution Limitations In any applicable year, the maximum Employer Contribution shall not cause an employee's 403(b) account to exceed the applicable contribution limit under Section 415(c)(1) of the Code, as adjusted for cost-of-living increases. For Employer Non-elective Contributions made post-employment to former employees' 403(b) account, the Contribution Limit shall be based on the employee's compensation, as determined under Section 403(b)(3) of the Code and in any event, no Employer Non-elective Contribution shall be made on behalf of such former employee after the fifth taxable year following the taxable year in which that employee terminated employment.

In the event that the calculation of the Employer Non-elective Contribution referenced in any of the preceding paragraphs exceed the applicable Contribution Limits, the excess amount shall be handled by the Employer as follows:

- A. For all members in the New York State Teachers' Retirement System ("TRS") with a membership date before June 17, 1971¹, the Employer shall first make an Employer Non-elective Contribution up to the Contribution Limit of the Internal Revenue Code and then pay any excess amount as compensation directly to the Employee. In no instance shall the Employee have any rights to, including the ability to receive, any excess amount as compensation unless and until the Contribution Limit of the Internal Revenue Code are fully met through payment of the Employer's Non-Elective Contribution; and

¹ Explanation for TRS Categories: Under Education Law § 501(11)(a), the calculation of a pre-June 17, 1971 TRS Tier I member's last five years final average salary (upon which a member's life-time pension is, in part, calculated) includes any non-ordinary income (such as termination pay) which is received as compensation prior to December 31" of the year of retirement. Thus, such a member would benefit from receiving, as compensation, in their final year of employment that portion of the Employer Non-elective contribution, which is in excess of the maximum Contribution Limits of IRC §415.

The final average salary of all other members of the TRS (i.e. all TRS members with a membership date on or after June 17, 1971) may not include any form of Termination Pay; therefore, the Employer's post-retirement payment into the employee's 403(b) account of that portion of the Employer Non-elective Contribution, which is in excess of the maximum Contribution Limits of IRC §415, is more advantageous for those member.

- B. For all members in the New York State Teachers Retirement System ("TRS") with a membership date in the TRS on or after June 17, 1971, and for all members in the New York State Employees' Retirement System regardless of their membership date, the Employer shall first make an Employer Non-elective Contribution up to the Contribution Limit of the *Internal Revenue Code*. To the extent that the Employer Non-elective Contribution exceeds the Contribution Limit, such excess shall be reallocated to the Employee the following year as an Employer Non-elective Contribution (which Contribution shall not exceed the maximum amount permitted under the Code), and in January of each subsequent year for up to four (4) years after the year of the Employee's employment severance, until such time as the Employer Non-elective Contribution is fully deposited into the Employee's 403(b) account. In no case shall the Employer Non-elective Contribution exceed the Contribution Limit of the *Internal Revenue Code*.
3. 403(b) Accounts Employer contributions shall be deposited into the ING Life Insurance and Annuity Company ("ING") 403(b) account of each recipient employee. If the employee does not have an ING 403(b) account, the Employer shall deposit the employer contributions, in the name of the employee, into an ING account established in the employee's name. Agents from ING will be allowed reasonable access to the School District's facilities in order to assist the employees and District's representatives in fulfilling applicable 403(b) legal requirements. Upon the request of the District, the ING agents will assist District's representatives in calculating the annual maximum allowable 403(b) contribution under the Internal Revenue Code, based upon salary and payroll information provided to the ING representative by the District. Upon the request of the District, ING agrees to provide the Employer with their standard hold harmless agreement.
4. Tier I Adjustments Tier I members with membership dates prior to June 17, 1971, Employer Non-elective Contribution hereunder will be reported as non-regular compensation to the New York State Teachers' Retirement System.
5. This MOA shall be subject to IRS regulations and rulings. Should any portion be declared contrary to law, then such portion shall not be deemed valid and subsisting, but all other portions shall continue in full force and effect. As to those portions declared contrary to law, the Association and Employer shall promptly meet and alter those portions in order to provide the same or similar benefit(s) which conform, as closest as possible, to the original intent of the parties.
6. This MOA shall further be subject to the approval of ING, which shall review the MOA solely as a matter of form and as the provider of investment products designed to meet the requirements of Section 403(b) of the *Internal Revenue Code*.
7. The Employer is responsible for providing accurate information to ING. This information includes both Elective and Employer Non-Elective Contributions and the amount of the participant's Includible Compensation. Before releasing such information to ING, the District will provide the relevant information to the Employee who shall notify the District if the

information is incorrect. The District shall not be liable for any penalties, losses or damages which result from the transmission of information to ING unless the Employee has provided a timely objection to the transmission of such information.

8. Employer Non-Elective Contribution Equal to Termination Pay The Employer agrees to make an Employer Non-elective Contribution to the 403(b) account of each covered employee, who severs their employment with the Employer during the contract year and who is eligible to apply for and who commences their retirement from the state sponsored retirement system. The amount of Employer's contribution for each eligible employee shall equal the value of each such employee's accumulated leave days, determined in accordance with Article XIX of the Collective Bargaining Agreement. The Employer shall make the maximum contribution permitted under Section 415(c)(1) of the Internal Revenue Code of 1986, as amended, for the year in which the employee severs employment. The Employer shall deposit the contribution no later than July 15th, following the employee's severance date.
9. Early Retirement Incentive The Employer agrees to make an Employer Non-elective Contribution to the 403(b) account of each covered employee who notifies the Employer of his or her intent to retire no later than March 1st. The total amount of Employer's Non-Elective Contribution for each eligible employee shall equal the greater of \$23,000 or one percent (1%) of the final year's salary multiplied by the number of years of District credited service pursuant to Article XVII, Section 1 or 2 of the Collective Bargaining Agreement and shall be made in installments over a period of one year following the year in which the employee severed their employment. The first Employer contribution shall be made in July and the last in December of the year in which the employee's severance occurred. The Employer shall make the maximum contribution permitted under Section 415(c)(1) of the Internal Revenue Code of 1986, as amended.

HOLD HARMLESS AGREEMENT

WHEREAS, the Ontario Central School District (the "Employer") wishes to make available to its employees a program (the "Program") in accordance with the provisions of Section 403(b) the United States Internal Revenue Code of 1986, as amended ("Code") which permits the making of participant elective deferrals, to the extent the participant is employed by the Employer, and employer non-elective contributions,

WHEREAS, the Employer wishes to make post-retirement employer non-elective contributions to the Program as permitted by the Code for eligible employees, and

WHEREAS, THE Life Insurance and Annuity Company (the "Company") has offered to provide a tax deferred annuity contract intended to satisfy the requirements of Code Section 403(b) for purchase by the Employer on behalf of eligible employees for the Program.

IT IS AGREED AS FOLLOWS (THE "AGREEMENT"):

1. The Company shall provide for purchase by the Employer an annuity contract that meets the definition of an "annuity contract" pursuant to the provisions of Code Section 403(b) and any pertinent federal laws relating to the purchase of such annuity contract(s). Such annuity contract shall be available for purchase by the Employer for any employee, whose eligibility has been determined by the Employer and who participates in the Program.
2. Except as limited by the annuity contract and applicable law, the Company, its agents and representatives shall comply with all pertinent written directives of the Employer regarding the solicitation and enrollment of employees and the purchase of the annuity contract.
3. The Company warrants that it shall perform its duties as the issuer of the annuity contract in a careful, diligent and professional manner and that it will promptly correct any and all errors made by the Company unless such error was a result of the Company's reliance on any information or omission of information provided by the Employer, the employee, or an authorized representative of either of the foregoing. The Company shall hold harmless and indemnify the Employer, its agents, officers and employees when acting on behalf of the Employer, from every claim and demand to the proportionate extent that it results from the negligence or wrongdoing of the Company or any of its representatives acting in that capacity, which may be made by reason of the purchase from the Company of an annuity contract by the Employer on behalf of an employee as authorized by Code Section 403(b).
4. With the exception of any maximum allowable contribution calculations calculated on the basis of inaccurate or inappropriate information provided by the Employer or the employee, the Company shall hold harmless and indemnify the Employer, its agents, officers and employees, from every claim and demand for penalties (including penalties based on State and/or Federal withholding taxes otherwise due) and interest, including reasonable attorney's fees, which may be made by reason of a challenge to the maximum allowable contribution calculation computed by the Company at the direction of either the

employee or the Employer for any employee participating in the Program. The Company's obligation to indemnify and hold the Employer harmless under this Paragraph 4 is not conditioned upon and shall not require a showing of the Company's negligence or wrongdoing.

5. In performing the maximum allowable contribution calculations in connection with the Program, the Company may rely on information provided by the Employer and employee. This information shall include but not be limited to whether the contributions to the Program are elective or non-elective employer contributions, the employee's elective deferrals to all eligible plans (whether or not sponsored by the Employer) in that tax year pursuant to Code Section 402(g), and the employee's includible compensation as defined under Code Sections 403(b)(3) and 415(c).
6. Anything in this Agreement to the contrary notwithstanding, the Company shall neither hold harmless nor indemnify the Employer, its officers, agents, or employees from any claim and demand based upon the negligence, fraud or wrongdoing of the Employer, its officers, agents or employees, nor from any situation where the claim or demand is due to the failure of the Employer to properly discharge its obligations under the Memorandum of Agreement between the Employer and the Teachers' Association.
7. The Company, at its own cost and expense and as allowed by law, shall hold harmless and indemnify the Employer by defending any legal proceeding brought against the Employer or satisfying any legal judgment rendered against the Employer based on any claim or demand allowed under this Agreement as described above. Any liability of the Company under any provision of this Agreement to hold harmless and indemnify the Employer is subject to discharge by the Employer of the conditions precedent that the Employer shall immediately notify the Company in writing within thirty (30) days upon receipt of any such claim or demand and shall permit the Company, at its option, to direct the defense against such claim or demand. It is understood that the Company's liability hereunder shall be limited to actual damage only.
8. The Company reserves the right, upon sixty (60) days' written notice to the Employer to terminate serving as the 403(b) provider and to simultaneously terminate this Agreement. Such termination shall in no manner affect any liability of the Company incurred under this Agreement for acts taken prior to the effective date of such termination.
